# Western Engineering Consultants, Inc.

## PROJECT EXPERIENCE

2007

0005.005.00

### Sky View Condominium Hangars

Greeley-Weld County Airport, Colorado

#### Highlights

8 Unit Small Hangar Buildings

Multi Jurisdictional Approvals

CDOT Drainage Restrictions

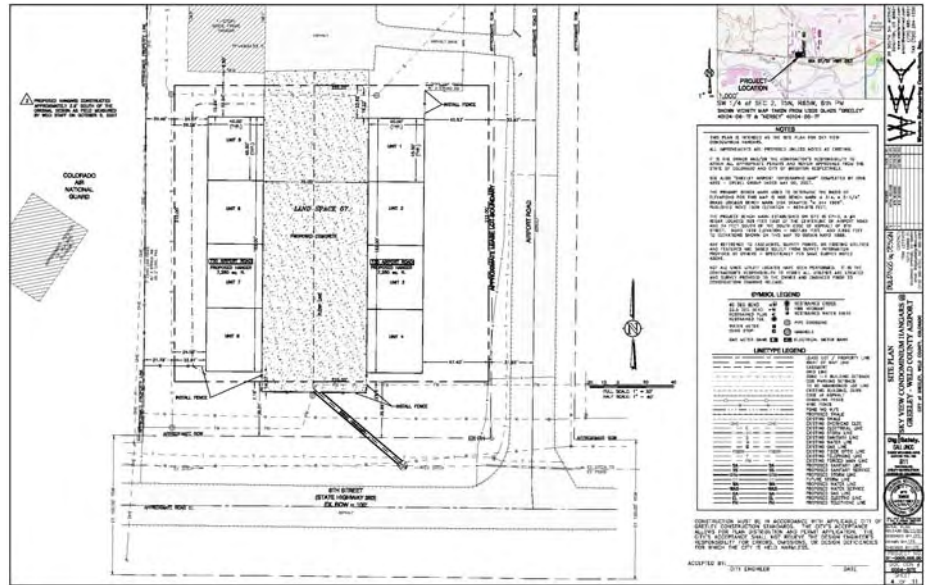

On-Site detention facilities

#### Project Cost

\$650,000 Cost & Design

#### Client

Buildings by Design, LLC.

#### Project Description

Western Engineering Consultants, Inc. (WECI), was retained for a third project with Buildings By Design based on their track record for quality and efficient engineering and planning services and expertise in Airport related development.

WECI provided complete planning and engineering services to gain approvals from the Greeley-Weld Airport, City of Greeley, and CDOT.

WECI services included: site layout, grading, storm drainage, utility, and construction storm water management design services for the 1.1 acre site located just off 8th Avenue and Airport Road.
