Est. 2003

Western Engineering Consultants, Inc.

PROJECT EXPERIENCE

2005-2008 0020.001.00

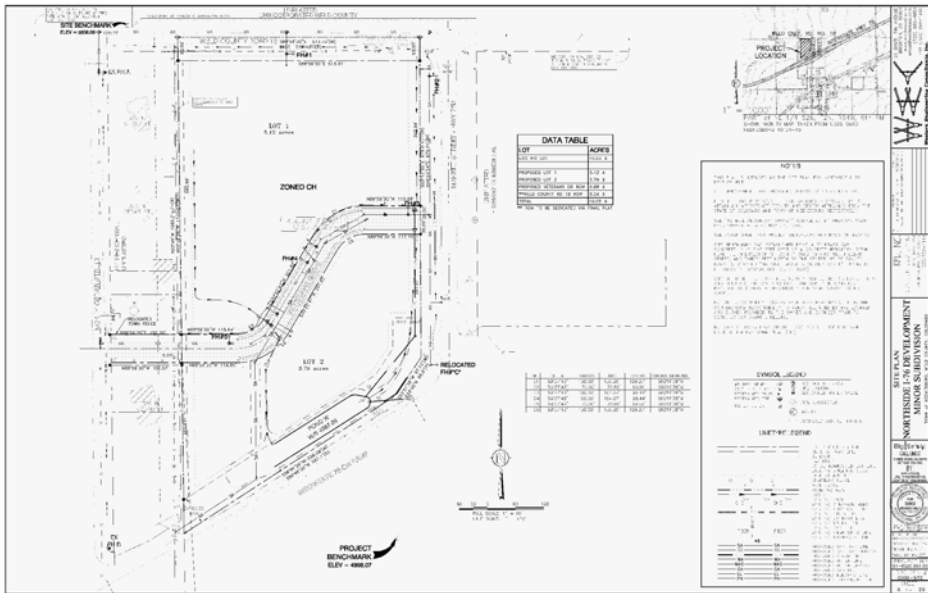
Northside I-76 Development

Keenesburg, Colorado

Highlights
Land planning, engineering & landscape architecture services

Project Cost
$50,000 Consulting

Client
Mr. Bob Grand



Project Description
Western Engineering Consultants, Inc. (WECI) was retained to assist through annexation, zoning, and subdivision platting and engineering for a 200 plus acre master planned residential subdivision and commercial development for Mr. Bob Grand. The commercial component of this project is depicted above with the possibility of a hotel or motel site with a truck stop/convenience store on the other portion.
